

Meghan Powell

Meghan Powell is a Project Associate with OnPoint Consulting. Meghan is responsible for producing client deliverables, managing OnPoint's online assessments, conducting research, and supporting marketing activities.

Prior to joining OnPoint, Meghan worked in project management and client support roles for several organizations. Prior to that, she worked in Cardiac Rehabilitation for The Hospital of Saint Raphael as a program coordinator where she consulted with clients to optimize their recovery process.

Meghan earned her Bachelor's Degree in Exercise Physiology from Southern Connecticut State University.
